

OFFICIAL FIGURES!

Kentucky Safe in the McKinley Column, and No Contest.

281

That's McKinley's Plurality in Kentucky!

The official count was completed yesterday at Frankfort.

The footings give Cash, the leading Republican Elector, 218,171 votes, and Smith, leading Democratic Elector, 217,890 votes. Smith, who headed the Bryan Electoral ticket, defeats Wedding and Howes, two of the lowest McKinley Electors, who are tied.

The Electoral College will decide which of these Electors shall vote.

The count gives McKinley Kentucky by 281 plurality and 13 out of the 13 Electors.

It may be set down as a finality that there will be no contest on the part of the Silverites, as they were given every advantage in the final count.

Some of the Republicans at Washington say no attempt will be made to pass the Dingley Tariff Bill at the coming short session. They claim, however, that the Ways and Means Committee will begin work on a strictly Republican Bill, which will be passed at the extra session.

THE BIBLE SOCIETY.

Meeting of the Executive Committee Yesterday Afternoon.

The Executive Committee of the Maysville and Mason County Branch of the American Bible Society met yesterday afternoon for the purpose of fixing the time and place of holding the next meeting.

The meeting last year was held in the Central Presbyterian Church and the sermon was preached by Rev. E. L. Shepard, Pastor of the M. E. Church.

It was decided to hold this year's meeting in the Christian Church the first Sunday night in December and the Rev. S. D. Dutcher, Pastor of that Church, will preach the sermon.

The following record was unanimously adopted:

We are called on to record the death, since our last annual meeting, of Mr. James Barbour, who had been prominently identified with this Society from the date of its reorganization in 1853 up to the date of his death—a period of 44 years. It is not invidious to say that no member of the Society in all those years, by private contribution and personal work, rendered more efficient service to the Society, as an examination of the minutes will show. For a great many years he was the Secretary of the Society and afterwards for many years the President. As a recognition of his services Dr. George S. Savage, the venerable agent of the parent Society, who knew of his active interest in the work, recommended his election as a life member of the American Bible Society, which was done in 1895. Let our records perpetuate his memory.

TRIBBLE-PICKETT.

Handsome Wedding at the Home of Mr. J. C. Pickett.

The wedding of Miss Sudie Lee Pickett and Mr. William A. Tribble was celebrated at the home of the bride's parents on Tuckahoe Tuesday evening in the presence of a large concourse of friends and relatives of the contracting parties, Rev. W. W. Hall, assisted by Rev. W. D. Rice of Augusta, officiating.

The spacious home was effectively decorated in chrysanthemums, mistletoe and holly. Promptly at 7 o'clock, to the familiar strains of Mendelssohn's Wedding March beautifully rendered by Miss Judith R. Carpenter of Paris, the two ribbon-bearers, Margaret Bacon and Ellen Osborne, entered, forming an aisle for the bridal procession, followed by Revs. Hall and Rice. The groom and his best man, Hon. Harvey Helm of Stanford, entered, preceded by the bride leaning on the arm of the maid of honor, Miss Mary Hall. The bride wore a magnificent gown of white brocade satin, the plain high corsage trimmed with mousseline de sole and point lace with veil of tulle, and carried a bouquet of Bride roses and smilax. She is the eldest daughter of Mr. and Mrs. J. C. Pickett, and is one of Mason's most accomplished young ladies.

Miss Hall was charmingly attired in white organdie, and carried La France roses.

After the ceremony an informal reception was held and a wedding supper served. The dining-room was decorated in pink and white chrysanthemums. The bride's table was arranged under a canopy of white ribbons and smilax. The center of the table, banked with chrysanthemums, ferns and pink-shaded candles, added to the artistic effect.

The presents were exceptionally beautiful and numerous.

Mr. and Mrs. Tribble left for a bridal tour, and on their return will be at home at Stanford, where the groom now resides.

Y. M. C. A. NOTES.

Something of Interest to the Young Men of Maysville.

Men, young and old, of Maysville give heed to this notice.

Sunday's Men's Rally in Y. M. C. A. Hall will be very pleasant—an hour spent amid helpful influences, elevating companionship and the charm of sacred singing cannot fail to make any one better. The noble institution in our city is doing a grand work for God, humanity and the Church, and any who wish to be made better or to help others to do better are asked to lend their presence Sunday afternoon. No more inviting place can be offered you, and the attractive program offered each Sunday certainly should enlist your hearty co-operation and earnest effort. Mr. J. B. Orr, Jr., will be in charge of the devotional service, while Rev. Mr. Frenger, Presiding Elder of the M. E. Church, will give a practical talk most helpful to men.

The present Association quarters in the Cox Building, which have proven a source of constant enjoyment and profit to many of our young men during the past three months, will be used for the last time in a public way tomorrow afternoon on the occasion of the Men's Rally; and while all are eager to get into the new rooms as soon as possible, yet so many blessed associations cluster around this room, which has been devoted to Y. M. C. A. purposes nearly four years, that it will not be vacated without some feelings of regret. The ladies who form the Rooms Committee decided at their meeting, held yesterday at the home of Mrs. M. C. Russell, Chairman of the Committee, that they would proceed at once to purchase needed furniture for the Parlor and Reading Room and get this portion of the new quarters in readiness at once, so that the Secretary's office may be established and the first Sunday Rally held there December 6th.

In the meantime the fitting of gymnasium, baths, etc., will be pushed forward as rapidly as possible, so that the opening reception and public inspection of the entire equipment may occur on Friday evening, December 11th, and it is hoped that the real work will commence in earnest the third week in December, and by January all Departments will be in full swing.

However, until after the rooms are formally opened and dedicated, they will not be open to members for other than office and business purposes, and it will be absolutely necessary for those in charge to concentrate their whole time and effort on the furnishing of the rooms and the necessary planning for the various lines of work.

TIME

is what I want to talk to you about now. Very few things are so easy to lose and so hard to regain as time. Is your watch time right? Does it lose time? Perhaps it gains? Either way will keep you guessing. I repair watches so you don't have to do any guessing.

There are two reasons why I pay so much attention to watch repairing. I make money out of it of course—that's what I'm in business for—but best thing about it is that it brings good people into the store, and as I do watch work right, and at the right price, it is a convincing argument that the rest of my business is right too.

Watch Repairing, however, is only a side issue. I sell Watches, Diamonds, Jewelry, Clocks and a great variety of beautiful and useful things for gifts of all kinds.

DAMAGE ASKED.

The L. and N. Sued For Mr. Sep. D. Clark's Death.

The Circuit Court was occupied all day yesterday hearing evidence in the suit of the Administratrix of the late Sep. D. Clark against the L. and N. Railway Company.

Mr. Clark was a passenger on the road when a can of gasoline or oil exploded in one of its cars at Paris a year or two since, and he was injured by the burning fluid.

Subsequently he had his arm broken in one of the tunnels on the road.

Suit was brought in Fleming county for damages on account of the latter accident, but the Company's Attorneys demurred, setting up the claim that Mr. Clark was guilty of contributory negligence by having his arm out of the window, contrary to the rules.

The Court sustained the demurrer.

Suit is now in progress here to show that Mr. Clark's death, which was caused by blood poisoning, was a result of injuries received in the explosion of the gasoline can.
